

## **WMD, Emergency Management and Medical Web Sites**

The following is intended to provide a comprehensive list of internet sites of use for emergency planning and in particular Weapons of Mass Destruction (WMD) and medical emergency planning. To be useful as a working document, the listing is divided into the following categories:

### **Organizations**

- [Federal Agencies \(Includes non-US national-level offices\)](#)
- [International \(International Agencies\)](#)
- [Local Emergency Management/BT/Health/WMD web sites](#)
- [Private, Non-Profit, Academic Organizations, Professional Societies](#)

### **Disease Monitoring Systems**

### **Web Link Compendiums, Glossaries, Search Engines and other Resource Listings**

### **References**

- [Agricultural, Animal, Food, Water Issues](#)
- [Business/Facility/School/Installation Information](#)
- [Community/Local Planning](#)
- [Decontamination](#)
- [Diseases/Conditions/Agents/Treatment/Surveillance Systems](#)
- [Dispensing Functions, Strategic National Stockpile, Pharmaceutical and Other Systems.](#)
- [Equipment and Personal Protective Equipment.](#)
- [Federal Plans and Guidance, Laws, Regulations, Public Health Planning and Guidance](#)
- [First responder guides/procedures](#)
- [Hospital and Health Facilities](#)
- [Incident Command System and Emergency Operations Center Tools](#)
- [Individual/Family/Public Guides and Info, Volunteers](#)
- [Information Management/Public Affairs/Alert Systems/GIS](#)
- [Laboratories](#)
- [Legal and Law Enforcement Issues, Intelligence Documents](#)
- [Logistics](#)
- [Mental Health Issues](#)
- [Mortuary Affairs](#)
- [Special Populations](#)
- [Transportation](#)
- [Miscellaneous](#)
- [Weather](#)

### **Training/Seminars/Classes/Conferences**

- There is an incredible amount of information available through the internet. As an introduction to understanding the complexity of all of the federal offices involved in WMD, go to the organizational chart at <http://cns.miiis.edu/research/cbw/domestic.htm#wmdchart>
- To keep this list at a manageable level, some information is specifically omitted. There is a separate document which lists online periodicals and list servers. This list is available from the author below, upon request.
- Inclusion of sources here is done as an information service but in no way implies endorsement of any organization or product.
- **PLEASE NOTE** - This list is constantly being updated. To contact the author for the latest version, or to provide additional information, send an email to: [gregory.banner@hhs.gov](mailto:gregory.banner@hhs.gov)
